SUBJECT: Resolution

AFFECTED DISTRICT: Townwide

TITLE OF AGENDA ITEM:

A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, APPROVING ADDITIONAL COST FOR ROOF-MOUNTED STROBE LIGHTBARS FOR TYPE-1 MEDIUM DUTY FIRE RESCUE AMBULANCES FROM WHEELED COACH INDUSTRIES, INC.

REPORT IN BRIEF:

On September 17, 2003 Town Council approved the purchase of three Type-1 Medium Duty Fire Rescue Ambulances from Wheeled Coach Industries, Inc. The department is requesting additional roof-mounted, strobe light bars on the three new Rescue vehicles due to a need for improved visibility and safety. Several accidents involving our vehicles have occurred primarily due to side impact crashes at intersections. The increase in personal safety to our residents and firefighters warrants this change, as well as the cost savings from potential loss of use, repairs, medical expenses and other factors. The cost is \$1,690 per vehicle or approximately \$5,070 total, in excess of previously approved funding from Council. Additional funding is available in the appropriate capital projects account.

PREVIOUS ACTIONS: The Town Council approved the Capital Projects Program for fiscal years 2003-08, and authorized the purchase of emergency vehicles and equipment via voter approved debt.

CONCURRENCES: The Town previously approved resolution R-98-205, R-98-364, R-2000-160, R-2002-021, and R-2003-234 to purchase rescue units from Wheeled Coach Industries, Inc.

FISCAL IMPACT:
